

Camp Staff

The Middletown “Gym Rat” Basketball Camp staff includes coaches, recent graduates, and current players of the Middletown High School program. Several of this year’s counselors will be college players next season. These young men who are products of the basketball program will work closely with the youngsters each day. They will help the campers improve their skills while offering positive reinforcement and plenty of encouragement. The counselors will also provide constructive comments to assist each camper as he develops.

Camp Philosophy

The main objectives of the Middletown "Gym Rat" Basketball Camp are to teach young players the real skills of the game and to provide them with opportunities to improve their skills while playing in competitive situations.

The camp staff will promote the concepts of hard work, dedication, and determination in achieving one's goals. We hope that all campers enjoy the game of basketball more after attending camp during the summer of 2009.
